ADDENDUM B
DAMAGE PENALTIES

Sl's Addendum C3.11 permits umpires to determine the penalty for breaking RRS 14 without a hearing. This Addendum explains how damage will be assessed, and prescribes the appropriate level of penalties. The PC may impose additional penalties if it has good reason to do so.

There are a number of things we are trying to achieve with penalties for damage

- Minimise damage to keep costs down and avoid delays while boats are being repaired.
- Ensure that penalties are consistent and fit the breach.
- Keep race results “on the water”.

Damage Levels

Level	Extent	Effect
Level A - Minor Damage	Up to 1 man-hour to repair	Boat may race without repair.
Level B - Damage	More than 1 man-hour and up to 5 man-hours to repair	Boat may need some (temporary) work before racing again.
Level C - Major Damage	More than 5 man-hours to repair	Significant work required before racing again.

The assessment of damage level is only for the purpose of point-penalties, and is not linked to any OA deductions from the competitor's Damage Deposit.

Penalties

Point-penalties are penalties that may be imposed by umpires or the PC after a race to boats that break RRS 14. In Stage One (Round-Robins), point-penalties are added to the total race-loss score of the team in which one of the boats breaks RRS14. In Stage Two (Knock-Out), point-penalties are subtracted from the total race-win score. The schedule of point-penalties is as follows:

Level	Round-Robin	Knock-Out
Level A	No Penalty	No Penalty
Level B	½ race loss	1 race loss
Level C	3 race losses	1 race losses

If a competitor requests a hearing when a point-penalty is imposed for either Damage Level A or B, the PC may decide (in the hearing) to give a greater penalty. When the damage level is assessed as Level C, the point-penalties will be imposed by the PC.

Any point-penalty will be based on the assessment of damage-level made on the water. Subsequent assessments of the damage-level after closer inspection, whether the level turns out to be higher or lower, will have no effect on the point-penalty given on the water.

Damage Deposits

Each helm is responsible for the damage or loss to their boat and supplied equipment unless responsibility is otherwise assigned by the umpires, PC or OA.

The Damage Deposit is the limit of liability of each helm for each incident. In the event that a deduction is made from the Deposit, the helm will be required to restore the Deposit to the original value to maintain eligibility.

ADDENDUM C

MAJOR ALTERATIONS TO THE RRS

Changes to the rules of Part 2 have been authorised by World Sailing under RRS 86.2.

C1. Add new definitions

C1.1 **Helm.** The Helm is the crew member on-board who is in charge of the boat and the crew and all other persons aboard.

C1.2 Not on a beat to windward

See World Sailing Case 132.

C1.3 **Another leg.** A boat passes to *another leg* of the course when her bow crosses the extension of the line from the previous mark through the mark she is rounding.

C.2 Changes to the rules of Part 2, 3 and 4

C2.1 RRS 17 is deleted.

C2.2 RRS 31 (Touching a Mark) is changed to:
“While *racing*, neither the crew nor any part of a boat’s hull shall touch a starting *mark* before *starting*, a *mark* that begins, bounds or ends the leg of the course on which she is sailing, or a finishing *mark* after *finishing*. In addition, while *racing*, a boat shall not touch a race committee vessel that is also a *mark*.”

C2.3 Part 4 Preamble and RRS 40 is changed. See SI 1.6.

C2.4 Add to RRS 41: (e) help to recover from the water and return on board a crew member, provided the return on board is at the approximate location of the recovery.

C2.5 The umpires may decide that any hard contact (contact between hulls and / or rigs) is damage for the purposes of initiating a penalty under RRS D2.3(d).

3. Changes to RRS Appendix D

Protests and Penalties

C3.1 Delete RRS D1.2(c) and replace with:

“A boat intending to request redress for an incident in the racing area, or protest for an alleged breach of a rule other than a rule of Part 2 or rules 31 or 42, shall, at the first reasonable opportunity after she finishes, inform the Race Committee at the finishing line of her intention to protest or to request redress and, when applicable, identify the protested boat.”

C3.2 A boat intending to request redress under 62.1(b) or (c) for an incident in the racing area shall display a Red flag at the first reasonable opportunity after the incident. She shall display the Red flag until it is acknowledged by the RC or by an umpire.

C3.3 Delete RRS D1.2(g) and add new rule D1.2(g):

“Protests and requests for redress that deal with scoring and other matters that do not arise from incidents in the racing area shall be notified to the race office within 30 minutes after the finish of the last boat in the last race of the day. However, boats are required to notify the race officer as soon as practicable.”

C3.4 Add new rule D1.2(h):

“If the PC decides that a breach of a rule, other than a rule of RRS Part 2 has had no significant effect on the outcome of a race, it may make any arrangement it decides is equitable, which may be to order a re-sail or to impose no penalty.”

C3.5 RRS D1.3 (a) (Penalties) first sentence is changed to:

“When on an upwind leg of the course a boat may take a penalty by gybing, or when on a *leg to a leeward mark* of the course a boat may take a penalty by tacking when she may

have broken one or more rules of Part 2, or RRS 31 or RRS 42, in an incident while racing. Between the preparatory signal and the starting signal the penalty shall be taken by gybing.” See Addendum F.

- C3.6 Add new RRS D1.3(e):
“When three race umpires decide that one or more boats has broken RRS 14 in an incident where there is damage and/or injury, they may impose race-loss penalties as prescribed in SIs Addendum B without a hearing, but shall not add points to a boat’s score. The boat(s) shall be informed as soon as practical and only at that time may she request a hearing, in which case the umpires shall report the incident to the protest committee who shall proceed in accordance with RRS Appendix D3.1(e). Any penalties imposed after a hearing may be more than the penalties imposed by the umpires.” This changes RRS D3.1(e)(1) and RRS D3.1(e)(3).

Umpired Races

- C3.7 RRS D2.2 (a) (Protests by Boats) is changed to:
“She shall hail “Protest” and conspicuously display a Yankee flag at the first reasonable opportunity for each”.
- C3.8 RRS D2.3 (Protests imposed by Umpires) is amended as follows:
A boat penalized by an umpire shall take a One-Turn Penalty. However, when a penalty is imposed under rule D2.3, and an umpire hails or signals a number of turns, the boat shall take that number of One-Turn Penalties.
- C3.9 Add to RRS D.2.3(h) ((Penalties Initiated by an Umpire):
“a boat fails to comply with any ‘Prohibited Items and Actions’ in SIs Addendum A2.”
- C3.10 RRS D2.4(b) (Signals by an Umpire) is amended as follows:
“To penalize a boat a coloured flag identifying the boat, with one long sound, and pointing the coloured flag at her means: “The identified boat shall take a penalty by complying with SIs Addendum C3.8.”

Scoring

- C3.12 RRS D3.1(e)(3) is deleted and replaced with the following:
“when the boat has broken rule 1, 2, or 14 when she has caused damage or injury, or a *rule* when not *racing*, half or more race loss points may be added to her team score, or no penalty may be imposed. When point-penalties are added to one team’s score the results for the other teams will remain unchanged.” For breaches of RRS 14 with damage and / or injury, SIs Addendum B details the procedure.
- C2.13 RRS D4.2, D4.3, D4.4, and D4.5 (Scoring) are deleted. SIs Addendum D will be used.

Breakdowns

- C3.14 RRS D5 (Breakdowns) is deleted. After the Warning Signal, a race will not be postponed or abandoned due to breakdown. This will not be a cause for redress and changes RRS 62.1.

ADDENDUM D
SCORING

The following scoring system replaces RRS Appendix D4. This scoring system is designed to allow all races sailed in an incomplete round-robin to be counted towards the final results.

D1 Round-Robins Stage

In the Round-Robin Stage teams shall sail against all other teams one or more times.

- D1.1 Add after the first sentence of RRS Appendix A5: 'When one of the boats in a race fails to sail the course in accordance with RRS 28.1 or 28.2, she will be scored DNF without a hearing.'
- D1.2 The losing team of each race scores one race-loss point; the winner scores no points except when there is a dead heat between boats that leaves the winner of the race indeterminable in which case they will each be scored half a race-loss point.
- D1.3 When a team withdraws from part of an event the scores of all in-completed races will be scored as loss points on the basis of the number of races she would have sailed had she not withdrawn.
- D1.4 When a single round-robin is terminated before completion, a team's score will be the total number of race-loss points scored by the team in all races sailed except as stated in SIs Addendum D1.6.
- D1.5 If any of the teams have sailed less than a total of three races in the round-robin series, the entire round-robin series will be disregarded and, if necessary, the event declared void.
- D1.6 When a multiple Round-Robin is terminated with an incomplete Round-Robin, only one race-loss point will be available for all the races sailed between any two teams, as follows:

Number of races completed between any two teams	Points for each loss
One	One Point
Two	½ point
Three	⅓ point

- D1.7 Stage One Rank Order: Teams will be placed in reverse order of their total scores, lowest number of race-loss points first.
- D1.8 A team that has won a race, but is disqualified for breaking a *rule* against a team in another race, will be scored a race-loss for that race (but the losing team shall not be awarded the win); and

D1.9 When a team has been disqualified from participating in the remaining races of the Round-Robin series, the results from all previous races will stand, however she shall not be ranked for the event.

D2 Ties in Round-Robin Stage

D2.1 For the purposes of tie-breaking a team's score will be the number of race-losses scored between the tied teams.

D2.2 Ties between two or more teams in the Round-Robin Stage will be broken by the following methods, in order, until all ties are broken. When one or more ties are only partially broken, SIs Addendum D2.3(a) to D2.3(c) will be reapplied to them.

D2.3 Ties will be decided in favour of the teams(s) who:

- (a) placed in order, has the lowest number of race-losses in the races between the tied teams;
- (b) has the fewest race-losses against the team placed highest in the round-robin series or, if necessary, second highest, and so on until the tie is broken. When two separate ties have to be resolved but the resolution of each depends upon resolving the other, the following principles will be used:
 - (i) the higher-place tie will be resolved before the lower-place tie, and
 - (ii) all the teams in the lower-place tie shall be treated as a single team for the purposes of SIs Addendum D2.3(c);
- (c) when the tie is between two teams in a multiple round-robin, has won the last race between the two teams.

When SIs Addendum D2 does not resolve a tie, and if the tie needs to be resolved for a later stage of the event, the tie will be broken by a sail-off, when practicable. When the RC decides that a sail-off is not practicable, the tie will be decided in favour of the team who has the highest score in the Round-Robin Stage after eliminating the score for the first race for each tied team or, should this fail to break the tie, the second race for each tied team, and so on until the tie is broken. When a tie is partially resolved, the remaining tie will be broken by reapplying rule SIs Addendum D2.

D3 Knock-Out Stage

D3.1 In the Knock-Out Stage, SI 6.9 states the first team to achieve two race-win points will be declared the Winner.

D3.2 When a Knock-Out Finals Stage is incomplete, and is terminated after at least one race in the Final match has been sailed, the Knock-Out Stage will be scored as complete. The team with the highest number of race-wins is the match winner. If the score is tied, the winner will be the team that won the last race between them. Otherwise, the event results will be determined by the rankings from the Stage One, Round-Robins. This changes RRS Appendix D4.7, Incomplete Knock-Out Stage.
